

# EM-1 Emergency Microphone

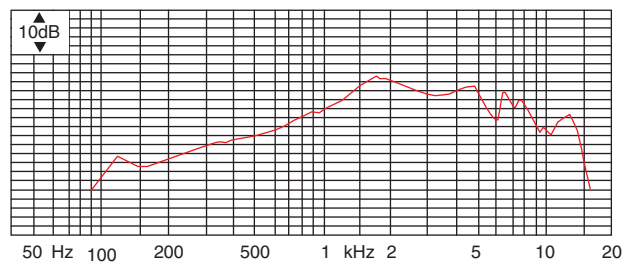

The **EMIX** EM-1 is a compact handheld communications dynamic microphone. It is engineered to withstand the challenging conditions of the dispatch environment. EM-1 is designed for close talking application, and is ideal for short announcement. It is an economical microphone for budget-restricted paging and other installations. The EM-1 microphone is compatible with many popular paging amplifier inputs. Its small, light and sturdy design fits comfortably in the palm of your hand.

## Features

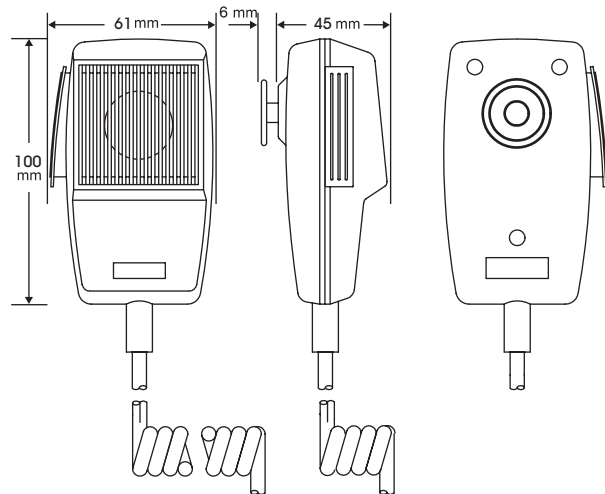

- > Excellent speech reproduction
- > Rugged built
- > Easy to use
- > Remote switching contact
- > Emergency paging application
- > Matt black finishing
- > Swivel mount adaptors

## Frequency Response

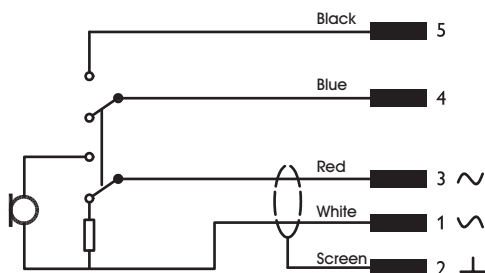

Model	EM-1
Type	Handheld
Polar Pattern	Omni Directional
Frequency Range	600-6000Hz
Sensitivity	70dB ±3dB
Rated Output Impedance	500ohm ±30% (@1000Hz)
Switch	On/Off with remote control contact
Cable Type	2-core + 2-core scenced
Color	Black
Material	ABS resin
Weight	190g
Dimension (H x W x D)	100 x 61 x 45mm
Cable Length	0.4m (1.3m extended)
