

EMER-66S

Power Megaphone

The **EMIX** Megaphone delivers clear effective voice amplification especially for outdoor activities, such as elections, sports day, or public occasions. The Emix megaphone comes with antibacterial treatment on the unit's mouth/microphone and handle, for multi user environments. Highly durable ABS construction enhances reliability, while efficient operation prolongs battery life.

EMIX offer you the option of either choosing the handle grip or shoulder strap for various purposes.

Features

- > Built-in siren function
- > Shoulder strap adjuster with shoulders pad
- > Compact hand grip type
- > External volume control
- > Press to talk switch for announcing, when carrying the megaphone at the grip

Model	EMER-66S
Power	Max 25W
Range	0.8~2km depending on operating conditions
Battery	8 x "C" type batteries (not supplied)
Voltage	12 V battery
Speaker Impedance	8ohms
Dimensions	Φ230mm (dia) x 350mm (L) Φ9.1" (dia) x 13.8" (L)
Weight	About 1.65kg (3.64 lb) approx (without battery)
